

Grand Charity Draw

As members of the team for the Antrim Grammar Grand Charity Draw we are delighted to announce that we collected over £3000 for Breast Cancer Awareness and Laurel House in Antrim Hospital. We have been really delighted with the generous contributions made by parents, pupils and friends of Antrim Grammar School to this event. It was great to raise funds for such worthy causes and have some fun in the process.

A special thank you must go to all the local businesses who generously donated prizes for the raffle.
